

## **PRODUCT INFORMATION**

**Common Name** NEO-101; NEO101; NEO-102; NEO102; NPC-1C; NPC1C

Conjugate PE-conjugated

**Synonyms** TBM;leB;MUC5;mucin

**Applications** Flow Cyt

Recommended

Flow Cyt 1:100 **Dilutions** 

Formulation & Reconstitution

**Background** 

Liquid

□PBS with 0.05% Proclin300, 1% BSA

N/A **Host Species** IgG type lgG1 Reactivity Human MUC5AC **Target Uniprot ID** P98088

PE-conjugated Anti-MUC5AC(ensituximab **Description** 

biosimilar) mAb

**Delivery** Under Development

Store at 2°C-8°C for 6 months Storage & Shipping

Research grade biosimilar. Not for use in

therapeutic or diagnostic procedures for humans

or animals.

Usage Research use only
