

PRODUCT INFORMATION

Clone ID 34B1

Target Rabbit IgG

N/A **Synonyms Host Species** Rabbit

PE-conjugated Anti-Rabbit IgG antibody(34B1), Goat mAb **Description**

Delivery Under Development

Uniprot ID N/A

IgG type Goat IgG Clonality Monoclonal Reactivity Rabbit **Applications** Flow Cyt

Recommended Flow Cyt 1/101 **Dilutions**

Purified from cell culture supernatant by affinity **Purification**

> Email: info@dimabio.com Website: www.dimabio.com

chromatography

Formulation & Liquid PBS with 0.05% Proclin300, 1% BSA Reconstitution

Storage & Shipping Store at 2°C-8°C for 6 months

N/A **Background**

Research use only Usage PE-conjugated Conjugate
